

We are committed to making a difference in the communities we serve. In doing so, we've had a busy couple of months! InFirst recently partnered with the United Way of Roanoke Valley for their annual Golf Tournament. Proceeds will allow them to continue to improve lives by mobilizing the caring power of people in the community.

We are proud to partner with the Gainsboro Express YMCA, an organization that continues to give back to our community and provide a safe space for youth to grow and flourish.

In 2019, we set off on a mission to help support our nation's first responders. As a result, our non-profit organization, the InFirst Responders Foundation was born. Last month, InFirst FCU, alongside our foundation, partnered with the Roanoke Sheriff's Department to support the Ceasefire: Victory in the Valley initiative. Their goal is to decrease gun violence in Roanoke City, VA.

InFirst FCU is committed to building a prosperous and safe community in the Roanoke Valley as well as Northern Virginia. I am proud to be a part of this organization and look forward to continuing to support our communities.

Sincerely,
